14th August, 1986

Dear Jeff,

U.S. Patent Application No. 744 894
Your File: FTR-1033 DIV/FWC
Our File : 24366A

Thank you for your letters of 10th and 21st July.

I have studied the Examiner's amendments enclosed with your first letter and consulted our clients. It is agreed that the amended claims are acceptable, especially having regard to the fact that we already have an issued patent on the corresponding process.

Accordingly, it is in order for you to pay the issue fee and I would ask you to do so in due time and let me have a soft copy of the patent in due course.

Yours sincerely,

J. H. Bass
